

JOB POSTING

Position: Summer Program STEM Instructor	
Reports To: Program Supervisor	Department: Work Ready
Status: Part-time; Temporary	Hours: 12hours/week Monday, Wednesday & Friday 10:00 am – 2:00 pm
Posting Date: 3/12/18	Closing: 6/1/18

SUMMARY: Position Summary:

The person selected for this position will be responsible for developing and implementing a high-quality hands-on STEM program for middle school students enrolled in our summer program.

Responsibilities:

- Create a classroom environment that is conducive to learning and appropriate to the maturity and interests of students.
- Lead camp curriculum, sessions and lessons focused on engineering and technology
- Implement and run daily learning sessions and other activities
- Modify activities/lessons as needed to better implement within the program structure
- Prepare materials needed prior to each session and/or before lessons begin
- Responsible for clean up after sessions
- Facilitate classroom management and ensure youth engagement
- Responsible for all STEM and Curriculum materials purchased by United Communities
- Other duties relating to STEM instruction, as needed

Qualifications and Experience

- Bachelor's Degree or higher in Science or related field
- Successful completion of a teacher certification program at an accredited college or university (or working towards certification)
- Demonstrated content knowledge for subjects/levels being taught
- Skill in classroom management and ability to achieve, support, and maintain acceptable student behavior
- Knowledge of and ability to use appropriate and multiple assessment, instruction, and evaluation techniques
- Knowledge and skill in the use and strategies necessary to meet the diverse needs of students
- Knowledge and skill in culturally responsive teaching and learning
- Skill and ability to utilize technology to aid instruction, assessment and learning
- Ability to work with a diverse population
